

ENSURING FREE & FAIR ELECTIONS IN TEXAS

America is in a spiritual war for revival and restoring our Constitutional Republic. This requires strategic **ACTION** including **GETTING OUT THE VOTE** in record numbers starting with the March 5th Presidential Primary Election.

- ▶ The deadline to register to vote in the March 5th Presidential Primary Election is February 5th and early voting begins on February 20th.
- ▶ We cannot win the public debate over the critical issues of faith, family, and freedom if Kingdom-minded Americans stay home on Election Day.
- ▶ According to *Champion the Vote*, only thirty million out of the estimated sixty million Christians in the United States vote in any given election or are even registered to vote. This grim statistic partially explains the moral decay in America that has accelerated during the last three years.
- ▶ It is more important than ever to be sure that every voter-eligible Christian is **BOTH** registered to vote **AND** votes in every election in 2024 starting with the Presidential Primary Election.
- ▶ For additional information on voter registration and elections, visit:
 - Texas Secretary of State - <https://www.votetexas.gov/>
 - Harris County - <https://www.harrisvotes.com/>
 - Montgomery County - <https://elections.mctx.org/>
- ▶ If your church doesn't have a voter registration table in the lobby, encourage your Pastor to authorize one and volunteer to administer the effort including ordering the registration cards from the Texas Secretary of State with a short email request addressed to: elections@sos.texas.gov.
- ▶ If your Pastor is not sure about *What Pastors and Churches Can Legally Do During The Election Season*, share this informative and encouraging Liberty Council article and video: <https://firstliberty.org/news/what-pastors-can-do-during-election-season/>.

We can and must do this!
