

Six reasons why Two Terms Is Enough!

Chairman Bryan Christ ran on a platform of bringing the Montgomery County Republican Party together, but after two terms, the Party is more divided and dysfunctional than ever before. Democrats are working every day to turn Texas blue. If we lose Montgomery County, we lose Texas!

1

Chairman Refuses to Work With the Local Party

The Montgomery County Republican Party has made numerous attempts to work with Chairman Christ for the good of the party.

2

Chairman Refuses to Cooperate in State Party Mediation

The report states that division in the party is due to a "failure of leadership by Chair Christ, who "seemed uninterested in solving the problem."

3

Chairman Breaks Texas Election Code, Party Rules & Bylaws

After the failed mediation attempt and further violations of party rules and bylaws, the County Executive Committee (CEC) voted to censure Chairman Christ.

4

Chairman Closes Historic Party Headquarters

Chairman Christ abruptly closed the longtime Party Headquarters and removed or donated its contents without notifying the majority of the CEC. He then began taking donations and held a fundraiser for his Montgomery County Republican Club PAC, claiming his new office space was the Party Headquarters.

5

Chairman Falsely Accuses Party Officers of Fraud & Embezzlement

Chairman Christ sent out a press release falsely accusing the Precinct Chair majority of conspiring to take over the Party's bank account and defamed Party Officers by falsely accusing them of fraud, conspiracy to commit fraud, and embezzlement.

Chairman Christ's involvement in fake Republican Political Action Committees (PACs) in Montgomery County

Rather than support the local and state party, Chairman Christ forms PACs claiming to be the Republican Party to confuse voters. He has begun a smear campaign against the state party, claiming they want to keep Republicans off the ballot and abolish the Primary Elections.
