

# Precinct Chair Spotlight

**DJ Fike, Precinct 102**

---

## What are your goals as a Precinct Chair?

I have three goals as a precinct chair. The first is to preserve Montgomery County's status as one of the most Conservative counties in the state. The second is to help educate and inform voters about candidates and issues so they can make the best choice possible when they go to the polls. Third is to help provide citizens with honest and accurate Information about the political landscape in the county and state so voters realize just how important their vote really is.

## How long have you been a Precinct Chair?

I've been a Precinct Chair for four years and am seeking my third term. I was elected [Party Secretary](#) by my fellow Precinct Chairs and serve on several committees.

## Tell us about your family.

My family tree has deep roots in Texas. My Paternal Grandmother's line goes back to an original land grant from the Mexican government in what is now Grimes County. Iola, Texas, in Grimes County is named after one of our family members. I want to do more research into my ancestry, as I find it fascinating. I moved to Montgomery County six years ago, after retiring from my post-teaching job, to be closer to my children. I have three sons and two beautiful grand-daughters.
